

Dear Fellow Walden Chase Neighbor,

I'm excited to tell you I've joined Keller Williams Realty, the world's largest real estate franchise by agent count. With over 700 offices and 110,000 real estate professionals worldwide, Keller Williams has the network and systems to give my clients an edge in today's competitive real estate marketplace.

WE'RE SHAKING UP THE ESTABLISHED ORDER.

In a city where old guard real estate companies hold court, Keller Williams Realty is a refreshing alternative. Here's one novel concept: Keller Williams rewards brokers for working together. It's an incentive strategy that will benefit you as a client, because when you hire me, you are tapping the skills and expertise of thousands who are motivated to help you achieve your real estate goals.

WE'RE OVERTAKING CONVENTIONAL METHODS.

We are much more than real estate professionals. We're also highly trained negotiators, marketers, researchers and customer service experts. That's why Keller Williams Realty is the chosen destination for agents fully committed to servicing the demanding and diverse needs of our clients.

If you are thinking about buying or selling real estate, contact me. I'd love to discuss your goals and the specific ways that I, along with KW, will give you an advantage.

Sincerely,

Jeff Logan
